Enrolment Overview

Dear Parents,

Choosing the correct school is an important decision for your child's education needs. Choosing RyVa Academy of Learning is an exciting opportunity for your child to enjoy this wonderful journey of learning together with us. We aim to provide more than just the basic education, but to equip your child to be "Life Ready".

RyVa Academy of Learning was established in January 2014 and has grown exponentially with the founding learners still with us. This independent school offers tuition from Grade R to Grade 7, is registered with the NC Department of Education, and the Umalusi Council for Quality Assurance.

Drawing on our personal international teaching experience, we apply a holistic approach to our teaching with smaller classes to enhance individual attention, bringing out our learners' individual strengths, and encouraging every child to fully develop their character and talents. In line with national education requirements, we place a strong emphasis on literacy and numeracy for a strong learning foundation, with amongst others, the Stimulus Maksima computerised reading, comprehension and mathematics tuition programme to provide optimal development. The programme is closely aligned with the CAPS Curriculum workbooks for each grade.

We follow the national Department of Education's CAPS Curriculum which we enrich with additional recommended teaching materials (Platinum Series & Today Series, etc).

We have a carefully planned full-day routine between 07h20 and 17h00, starting with a morning exercise programme which enhances alertness and improves overall wellbeing. We also provide nutritionally balanced lunch at the school. Parents provide a snack & water/juice for break times. Aftercare (with selected homework classes) is provided until 17h00 for all children, to cater for the working parent.

Discipline at the school is an important part of the learning environment, developing responsibilities and respect for effective teaching & learning. A variety of sports is provided by third party suppliers.

At RyVa Academy of Learning we regard our learners and parents as part of our ever-growing family, and take this opportunity to thank you for your support. Please feel free to contact us for further details.

Sincerely,

The RyVa Academy of Learning Team.
